PRICE REDUCED! Don't Miss This Steal in Verona Woods!

Welcome to Verona Woods, a peaceful 55+ community in tax-friendly Delaware where calm, quiet living meets everyday convenience. Nestled just minutes from shopping, dining, medical care, and recreation, this location lets you stay close to everything without the hustle and bustle.

This beautiful two-bedroom, two-bath rancher with a two-car garage is a hidden gem on an oversized homesite with serene pond views and thanks to a short sale, it's priced so well it might just be the best deal in the neighborhood.

Let's be honest: yes, there's a small carpet stain but when you see the rest of the house (and the price tag), you'll realize that's a small detail in a major opportunity. Why pay more for new construction when you can get more space, upgrades, and a premium lot for less?

Inside, you're welcomed by luxury vinyl plank flooring, a soft neutral color palette, and an airy, open layout. The bright living room is a great spot to relax or you can easily convert it into a third bedroom if needed. The family room and dining area flow together effortlessly, making it easy to host or just enjoy a quiet evening in.

The gourmet eat-in kitchen is fully loaded with soft-close white cabinetry, pull-out drawers, stainless steel appliances, a large center island with breakfast bar, and a walk-in pantry that's basically a snack-lover's dream.

Step outside to your brand-new composite deck, perfect for morning coffee, wine at sunset, or just sitting and enjoying the peaceful pond view and a little fresh air therapy.

Your primary suite is a retreat in itself, featuring plush carpet, a walk-in closet, and an en suite bath with a modern frameless glass shower. The second bedroom also has a walk-in closet and easy access to the full hall bath—perfect for guests or a home office.

And outside? You'll love the large backyard with space between neighbors (ahhh, privacy!). You can even put in a fence—so your furry companion has their own space to romp and roam.

Best of all, this is low-maintenance living at its finest. Lawn care is included, so no more weekends spent pulling weeds or chasing mulch bags in the wind. Plus, a future 2,500 sq ft clubhouse with fire pit and covered patio is on the way—perfect for making new friends (or borrowing sugar from someone besides Alexa).

And the location? Spot on:
