WOODBROOK, Ellicott City, MD

Welcome to 6202 Walter Way, a former Williamsburg Group builder's Tidewater model home constructed in 2017. This well-maintained and recently upgraded property offers an open-floor plan with a spacious main-level family room featuring a gas fireplace, formal dining room, and a gourmet kitchen, with sparkling white quartz atop a commanding center island, wrap-around breakfast bar, pendant lighting, upgraded SS appliances, walk-in pantry, and a perimeter of fresh white cabinetry. Off the kitchen and spacious breakfast area, a central atrium door offers access to a Trex deck, vinyl rail and cascading stairs overlooking a fenced yard enclosed with a low maintenance vinyl clad privacy fence, a lower paver patio, garden wall, raised vegetable garden, and apple trees. A generous winding wood stair with a carpet runner also has a double window that bathes the entire stair, landing and upper hall with daylight, whilst French doors open into the generously sized primary suite featuring a tray ceiling, space for sitting, and three closets including a walk-in dressing closet. Adjacent, a spa-like luxury bath with corner soaking tub wrapped in windows, is well appointed with designer tile, glass walk-in shower and rain shower head, double vanity, private W/C, and large linen closet. A second bedroom has its own ensuite bath, while two additional bedrooms each offer walk-in closets and share a hall bath with an extended double vanity and tub shower.

The finished lower level provides a spacious recreation room with walk-up access to outdoor living, a fourth full bath with up-to-the-minute finishes, and space to grow. Additional highlights include high performance, low maintenance engineered wood floors on the main level, plush new carpet and pad throughout the lower level and all four bedrooms, four full baths, and one-half bath. Recent upgrades also include laundry remodel with wall cabinetry, designer back splash, and quartz tops (2025), new front-load washer and dryer (2025), new refrigerator and disposal (2025), paver patio and vinyl privacy fence (2024), HVAC (2024), Caf   double oven and microwave (2022), and dishwasher (2023). Exterior amenities also include a welcoming covered front porch and storm door, 2-car garage, low-maintenance composite deck, paver patio and walk-up lower-level access. This home sits on a charming corner lot in an enclave of eight homes on a cul-de-sac with a robust community and friendly neighborhood feel.
